

SB46 Side Event in Bonn, Germany
Achievements and current progress of the JCM
- Cooperative Approaches under Article 6 of the Paris Agreement

Date: 16 May 2017
Time: 13:15 - 14:45 (1.5h)
Venue: Lounge, Art- and Exhibition Hall,
Kunst- und Ausstellungshalle (9min walk from World Conference Center)

Japan and 17 partner countries are cooperatively developing and implementing the JCM, which is an international market based mechanism in active operation. Also, use of market mechanisms, including the JCM, is articulated under Paris Agreement Article 6 which prescribes for the use of emission reductions realized overseas towards national emission reduction targets. The recent progress, achievements and expectations on the implementation of the JCM will be reported and discussed.

Directions to the Art and Exhibition Hall (Bundeskunsthalle)

9min. Walk from the World Conference Center Bonn

The lounge is on the first floor of the "Halle EG /OG".

By entering the Bundeskunsthalle at main entrance, go through the main hall "Foyer" and straight to the lift. Drive up to first floor, turn left after leaving the lift and the last door on the left is the lounge.

Or you use the stairs and turn right, pass the lift on the left side and you´ll find the lounge also on the left side.

Catering will be served for further exchange of views among the participants after the event.

The seminar venue:
Lounge, the Art and Exhibition Hall
