

Viet Nam: Policy development, financial mechanism, technology transfer to respond to climate change

Date: Monday, 26 November 2012

Time: 13:15 – 14:45

Venue: Side Event Room 7, Hall 5, Qatar National Convention Centre

This side event will feature efforts by Viet Nam in cooperation with Japan and the international community to respond to climate change with a particular focus on preparation for NAMAs/MRV under the National Target Program to Respond to Climate Change. Also, policy development, the institutional framework in place, GHG quantification methods, new market mechanisms as well as technology development and transfer will be highlighted.
