= New posting on "Columns" and Facebook page: The 3rd Joint Committee of the JCM between Lao PDR and Japan was held in Vientiane.

= 1st JCM project was registered by the Joint Committee (Thailand and Japan).

= Call for public inputs on a JCM proposed methodology (Costa Rica) (19 August to 2 September 2017)

New posting on our "Columns" and Facebook page.

-- The 3rd Joint Committee of the JCM between Lao PDR and Japan was held in Vientiane.--

The 3rd Joint Committee of the JCM between Lao PDR and Japan was held in Vientiane on 31st July.

The Joint Committee has a role to discuss important issues and items regarding JCM project development. In this opportunity, registration of a new JCM project has been approved.

Furthermore, progress of the REDD+ project in Luang Prabang Province related to slash-and-burn controlling which was introduced in a previous article of this website, has been reported in the Committee. The project is promoting...

-- 1st JCM project was registered by the Joint Committee (Thailand and Japan). --

It is an honor to inform you registration of a project under the JCM between Thailand and Japan.

Project title: TH001 Introduction of Solar PV Systems on Rooftops of Factory and Office Building

On 21 August 2017, the Joint Committee approved a proposed project. This project is the first JCM project registered in Thailand, the nineteenth in the world.

The information on recent development in Thailand is available at:
