ANALYST, INSTITUTE FOR GLOBAL ENVIRONMENTAL STRATEGIES (IGES)

Methodology development

Solar PV plant and rooftop solar PV
Inverter-type air conditioners
High-efficiency boilers
High-efficiency centrifugal chiller
Double bundle heat pump
Street LED lighting with control system
Refrigerator, showcase with natural refrigerant
Digital tachograph system
Regenerative burner
High-efficiency amorphous transformers
Waste heat recovery in cement factory
Etc.

The screenshot displays the IGES JCM Matchmaking Platform website. At the top, there is a black header with the text "IGES JCM Matchmaking" and a "Sign In" link. Below the header, there are two navigation links: "Home" and "Submit Company Information". The main content area features a large green geometric pattern background. A white box in the center contains the text "Welcome to the JCM Matchmaking Platform" and a small instruction: "Please fill in the JCM Matchmaking Online Company Information Form if you wish to be included in the result of this Search Engine." Below this, the title "JCM Matchmaking Platform, Company Information Form" is displayed, followed by the IGES logo (Institute for Global Environmental Strategies). A green box labeled "Purpose of this form" contains the text: "By submitting this form, you allow IGES to publish the information disclosed on its website through the JCM Matchmaking Platform. This publication allows to:".
