-- Mongolia: Study tour to Japan to promote JCM project development in Mongolia --

Officials of the Government of Mongolia visited Japan from February 11 to 15 and held meetings and site-visits aiming at promoting JCM project development in renewable energy sector in Mongolia. In Mongolia, there are shortage of power supply and air pollution problem caused by thermal power plant in winter. As a solution, the solar power business has expanded and more 50% of them are implemented as JCM projects...
