◆1. Announcement-----

[1] Electronic Decision by the JC between Myanmar and Japan

The Joint Committee adopted the decision on a proposed methodology by electronic means.

[2] JCM Good Practice: Promoting low-carbon economic development @Philippines

Renewable energy projects such as mini-hydro and biomass power generation are implemented under the PPP business led by Japanese and Philippines' companies leveraging the JCM Model Project scheme.

The project contributes to energy infrastructure development, GHG emissions reduction, stable clean water supply, and job creation in the Low Carbon Industrial Park to promote Regional low-carbon economic development
