= Viet Nam: Introduction of Amorphous high efficiency transformers in power distribution systems

[Yuko-Keiso Co., Ltd.]

= Call for public inputs on proposed JCM projects (Mongolia) has been started.

= Call for public comments on a proposed JCM project (Indonesia) has been started.

New posting on our "Columns" and Facebook page.

-- Viet Nam: Introduction of Amorphous high efficiency transformers in power distribution systems [Yuko-Keiso Co., Ltd.] --

Amorphous high efficiency transformers have arrived in the power distribution systems in southern Vietnam.

By introducing amorphous high efficiency transformers, the existing power distribution systems are now being upgraded to "quality infrastructure", a concept promoted by the Japanese government.

Currently, some projects are being implemented to...
