-- Update: UNFCCC COP18/CMP8 Side Event Presentation Materials --

Side event – Viet Nam: Policy development, financial mechanism, technology transfer to respond to climate change – was held on 26th November 2012 at UNFCCC COP18/CMP8, Doha, Qatar. The event was co-organized by The Government of Viet Nam, The Ministry of the Environment, Japan (MOEJ), Japan International Cooperation Agency (JICA), the Global Environment Centre Foundation (GEC) and Overseas Environmental Cooperation Center, Japan (OECC).

The event featured the efforts by Viet Nam in cooperation with Japan and the international community to respond to climate change with a particular focus on preparation for NAMAs/MRV under the National Target Program to Respond to Climate Change (NTP-RCC). Also policy development, the institutional framework in place, GHG quantification methods, new market mechanisms as well as technology development and transfer were highlighted.
