UNFCCC SB38 Side Event

We are delighted to inform you that the Ministry of the Environment, Japan (MOEJ), and Overseas Environmental Cooperation Center, Japan (OECC) are jointly hosting a side event on Friday 7 June 2013, from 18:30 to 20:00. This side event will feature recent efforts by developing countries in Asia for the introduction of NAMA / MRV through capacity-building activities supported by Japan, including introduction of the first result of joint survey (e.g. draft mitigation action template as part of a NAMA implementation plan), through presentation and Panel Discussion. Additionally, the event brings an opportunity to launch the “NAMA Guidebook” and related activities from a group of research institutes and their partners in Asia.
