-- Announcement of UNFCCC SB42 Side Event in Bonn, Germany "The Joint Crediting Mechanism (JCM): Results and current progress of project implementations"--

We are delighted to inform you that the Global Environment Centre Foundation (GEC) and the Overseas Environmental Cooperation Center, Japan (OECC) are hosting an exhibition booth and a side event at UNFCCC SB42 in Bonn, Germany with support from the Ministry of the Environment, Japan (MOEJ). The exhibition booth and side event will offer excellent opportunities to gather updated information regarding the Joint Crediting Mechanisms (JCM) and other initiatives.

<<Exhibition Booth>>

Date: Mon 1st – Thu 11th, June 2015

The latest information in relation to support programs from the MOEJ for mitigation of climate change in developing countries, especially on the JCM, will be provided.

<<Side Event>>

Title: "The Joint Crediting Mechanism (JCM): Results and current progress of project implementations"

Date: Sat, 6 June 2015 (11:30-13:00)

Venue: Bonn II (40)

The JCM is one of various approaches Japan and partner countries are jointly developing and implementing. The side event will host key speakers from Thailand and JCM partner

countries, namely, Indonesia, Palau, and Viet Nam, to share information regarding the recent progress and expectations on the implementation of the JCM.

The side event agenda is available at:

If you have any inquiries regarding initiatives from the Japanese government, as well as the exhibition booth and side event, please contact Ms. Yuriko Koyanagi at

koyanagi@oecc.or.jp or Mr. Koichi Yamamoto at yamamoto@gec.jp

We look forward to meeting you in Bonn.

Thank you.
