-- Video coverage and report: UNFCCC COP21 Official Side Event on the JCM hosted by MOEJ/GEC/OECC --

The Joint Crediting Mechanism (JCM) is one of various approaches Japan and partner countries are jointly developing and implementing. The recent progress and expectations on the implementation of the JCM were reported and discussed among the representatives from Indonesia (a JCM partner country), MOEJ, JICA, OECC and GEC at the side event titled "JCM: Achievements and current progress of project implementations".

The report, the presentation material, and the agenda is available at:
